[Jane Doe](#),

I am writing to provide an update on the status of the Title IX matter involving you. Toshia and I have been working on the Final Investigation Report since late January and anticipate submitting the report for legal review by mid-March. Based on that timeline, we believe the Final Report will be released sometime in late March 2021. We know this is a bit later than we anticipated when we last communicated and we really appreciate your patience. Due to all of the new evidence (including new WhatsApp/text messages) submitted after the Draft Report, and the scope of the investigation, the Final Report will likely double in size from the Draft Report, to approximately 300 pages. Incorporating and analyzing this volume of information is the cause of the brief, additional delay in issuing the report. However, please rest assured our office will ensure that the parties have ample time to review the Final Report.

If you have any questions for us, please contact us at any time.

Thanks again,
Stuart
